

### History

In History, we will be learning about Black History month by celebrating and researching inspirational black people from throughout history including Mary Seacole. We will also be looking at the Great Fire of London through the eyes of Samuel Pepys. We will be comparing the fire services of then and now.

### Art & DT

In Art and DT we will be looking at warm and cool shades and different tones. We will be working with a variety of media and mixing colours.

### Science

In Science this term, we are learning about plants. We will be:

- Studying plants and trees in their natural environment.
- Planting seeds and bulbs
- Conducting comparative experiments.

### Music

In Music this term we will be looking at long and short notes.

### English

This term we will be covering the following units in English:

- Instructional Writing – We will be looking at the book 'Pet Dragon' By Mark Robertson.
- Narrative – stories about fantasy worlds including 'How to Train Your Dragon'
- Journey Stories – Based on 'Shackleton's Journey'

**FIRE AND ICE**  
**Year 2 Spring Term**

### Geography

In Geography this term, we will be looking at habitats in the North Pole and the South Pole and comparing them to habitats near the Equator.

### Maths

This term we will be covering the following units:

- Number: Multiplication and Division and Fractions
- Statistics
- Geometry: Properties of Shape
- Measurement: Length and Height and Money

### RE

In RE this term, we are learning about The Torah and asking the question: 'How does The Torah influence the lives of Jewish people?'

### PE

Our PE units this term are:

- Gymnastics
- Ball games skills

### Computing

In computing this term, we will be working in the ICT suite to learn about:

- Different sorts of inputs including mouse clicks and keyboard inputs.
- Using these inputs to code simple apps.
