

Monday 18<sup>th</sup> March 2024

Dear Parents/Carers,

World Maths Day!

Wednesday 20<sup>th</sup> March

This week, we will be celebrating World Maths Day on Wednesday 20<sup>th</sup> March.

On this day, the children will be taking part in fun, creative Maths lessons, allowing them to see how Maths can be used in different contexts.

We look forward to celebrating this day with the children.

Yours sincerely,

Ms Wilkinson  
Harrold Primary Academy
