Dear Parents/Carers

**Year 3 & 4 Residential Trip to Boughton Woods, Wednesday 25th May – Friday 27th May 2022**

We are organising a residential visit to Bushcraft, Boughton Woods for our Year 3 & Year 4 (Magpies) children in May 2022.

The three-day residential will offer opportunities for students to develop many of their skills, knowledge and experiences within the Northamptonshire area. There will also be a full range of activities that will help to develop your child's leadership, resourcefulness and decision-making skills. We will be staying in a woodland centre, participating in safari style camp and enjoying activities including Bushcraft, wilderness cookery and orienteering. Boughton Woods offers a wide range of activities, with a difference, a real back to nature experience they will never forget.

We will leave school during the morning of Wednesday 25th May and return during the afternoon of Friday 27<sup>th</sup> May 2022. The cost of the trip will be £155.00. The cost includes transport, activities, accommodation and most meals. Bushcraft will cater for all dietary requirements. Pocket money and a packed lunch en-route, will need to be provided by parents. A packed lunch on the last day will be provided back at school but must be ordered via ParentPay.

We would like to invite you to confirm your child's place by paying a deposit of **£35.00** by **Friday 8<sup>th</sup> October 2021**. This deposit is non-refundable unless we are unable to offer your child a place. Once places are allocated and in order to meet payment deadlines set by the Travel Company, three further instalments will be payable. Please see below.

The school does not operate on a first-come basis for residential visits because we appreciate that parents may need time to consider the benefits of a stay away from home.

If you would like more information, please visit the Bushcraft website [www.thebushcraftcompany.com](http://www.thebushcraftcompany.com) or you can discuss this with us.

We know that this will be an exciting opportunity for your child and we hope that many children will want to participate.

Yours sincerely
