

Science

In Science this term, we will be learning about animals including humans and then we will move on to learning about plants. We will be learning about the characteristics of animals and their lifecycles. We will learn about seeds and bulbs and start planting new fruit and vegetables in our school allotment.

PE

Our PE units this term are:

- Dance (Fire of London)
- Fundamentals (with our visiting sports coaches)

Art

In Art we will be experimenting with some simple printmaking and we will be exploring watercolour painting.

Music

In Music this term we will be exploring our feelings through music and we will invent a musical story.

Computing

In computing this term, we will be learning about:

- Different sorts of inputs including mouse clicks and keyboard inputs.
- Using these inputs to code simple apps.

PSHE

In PSHE this term we will be focusing on healthier and safer lifestyles.

Fire & Ice

Kingfisher Class Spring Term

RE

In RE this term, will be asking the questions:

- Who is an inspiring person? What stories inspire Christians, Muslims and Jewish people?
- What is the 'good news' Christians believe Jesus brings?

History

In History, we will be studying the Great Fire of London. We will be reading Samuel Pepys' diary and comparing London then and now.

We will also be looking at the explorer, William Shackleton and finding out about his expedition to the Antarctic.

Geography

In Geography this term, we will be learning about continents and oceans. We will look at habitats in the North Pole and the South Pole and compare them to habitats near the Equator. We will also be looking at London landmarks.
