

28th April 2022

Dear Parents & Carers,

To celebrate the Queen's Platinum Jubilee, we would like to have a family picnic/party on the school field on the afternoon of Tuesday 24th May weather permitting. Parents, carers, grandparents and siblings are welcome.

There will be a cake stall with a variety of refreshments available. Donations of cakes would be very welcome. We would like to run a tombola stall. If you have any items that you would like to donate, we would be very grateful. All items need to be brought to the school office by Friday 20th May.

We would like to set up activity areas that the children could visit during the afternoon i.e., face painting, crafting, football or skittles, skills or art activities. We would like to ask any parents and carers if they had an activity that they would like to organise for the children, it would be greatly appreciated.

The ice cream van will be visiting and there will be two bouncy castles along with music and decorations made by the children.

As part of the celebration, we would like the children to make a crown at home. These will be judged, and two prizes awarded to each year group for the best crowns. Please could children bring their finished crown into school on Monday 23rd May, ready for judging on Tuesday 24th May. Crowns can be worn during the picnic.

Children can also come to school in Mufti.

Kind regards

Ms Brown
Harrold Primary Academy
