Free School Meals
during COVID-19

Have your financial circumstances recently changed?

If your personal circumstances have recently changed and you would like to check if your child is now eligible to receive income-related free school meals and the current at-home alternative, please read our guidance and application process online at:

www.bedford.gov.uk/freeschoolmeals

BEDFORD
BOROUGH COUNCIL

Free School Meals
during COVID-19

Support is still available during this time

Children eligible for income-related free school meals are still entitled to receive their free school meal or a food voucher while schools are closed.

This may be provided as a food parcel, a packed lunch or a £15 per week food voucher which can be used in a number of different supermarkets.

Please be aware that children who usually receive their meal under the 'Universal Infant Free School Meals' (for children in Year R, 1 and 2) are not included in this scheme unless they are also eligible for income-related free school meals.

If your child is already receiving income-related free school meals and you would like to know what meal options are available, please contact your child's school.
