What's new? This month we have been welcoming lots of new children into our setting which has been fantastic! We will be adding new resources into the setting that will be aimed at the 2 year olds and of course will be updating the toys we currently have to keep it fresh in the setting. We use a wish list so the children who attend get a choice of what they'd like at our club, we have found that this works extremely well, the children enjoying sending off the email to the office with their selections on and waiting for Pauline to arrive with the toys!

This week we have been using skittles to make rainbows the children enjoyed watching the colours run from the sweets.

Could you help? If anyone has any toys that would be suitable for 2 year olds we'd love to give them a new home.
